#### **EXPERIENCE**

# Software Developer, Arisen Technologies, Noida

March 2024 - January 2025

- Gathered and analyzed requirements to design user-friendly websites while managing projects for timely delivery and meeting business goals.
- Conducted data analysis using SQL and developed Tableau dashboards for effective data visualization and decision-making.
- Developed responsive websites with HTML, CSS, and JavaScript while optimizing server-side logic using PHP for seamless operations.

# Computer Teacher, Ratan Prem DAV Girls Inter College, Aligarh

March 2022 - February 2024

- Taught C, C++, and PHP to 9th and 10th grade students while designing lessons to enhance engagement and learning outcomes.
- Maintained detailed records of student progress and attendance using Excel, ensuring efficient data tracking and reporting.

#### **EDUCATION**

MBA (Business Analyst)	2023-25	Amity University, Noida
Bachelor Of Technology	2016-21	Kurukshetra University, Kurukhetra
CBSE (Class XII)	2015	St.Fidelis.Sr.Sec.School, Aligarh
CBSE (Class X)	2013	St.Fidelis.Sr.Sec.school, Aligarh

## **PROJECTS**

- **CRM**: Developed an internal CRM system to streamline company operations, incorporating roles, workflows, tracking, and priority systems, resulting in a 15% improvement in overall efficiency.
- **Website Enhancement and Maintenance**: Designed and maintained the company website by implementing front-end features and introducing new functionalities, including updates to the "<a href="https://arisen.in/ads/">https://arisen.in/ads/</a>" section, ensuring a user-friendly and engaging interface.
- Academic Record Management: Maintained and managed student records in Excel during my tenure as a teacher in college, ensuring accurate data organization and streamlined access for academic purposes.

# POSITION AND RESPONSIBILITIES

- **Leadership Achievements:** Successfully led a team of 5 in the Development Department at Arisen Technologies, delivering impactful results and ensuring project objectives were met efficiently.
- Event Management and Coordination: Successfully managed and coordinated summer camps at Arisen Technologies, managing logistics and execution to support community welfare.
- **Volunteer (Workshop Participation)**: Volunteered at a state-level Automobile Engineering workshop at JMIT, exchanging ideas with community leaders and enhancing leadership and professional skills.
- Core team member (Club Activities): Planned and organized various college club events, engaging over a thousand participants in diverse activities.

#### EXTRA-CURRICULAR ACTIVITIES AND ACHIEVEMENTS

- **Honor**: Awarded a Certificate of Senior Professional by the Indian Red Cross Society for significant contributions to community service.
- **Awards and Recognition**: Won awards for sports, cultural performances, or technical competitions. Achieved **Best Performer of the Month** award twice at Arisen Technologies.
- Clubs and Societies: Member of college clubs like drama, music, coding, or innovation clubs.

Technical Skills: Excel, Tableau, MySQL, SQL, PHP, HTML, CSS, JS, Git, Github

Hobbies: Gym, Painting
